Ask the Experts!

ASHGI wants to make sure you get the health information or breeding advice that you need for the benefit of your dogs. If you have a specific topic you need to know more about, first try the site search box in the upper right corner of each page. If you need more information, contact our volunteer experts using the subject-area e-mails below or clicking the Ask-the-Experts logo on our website's major subject-matter pages.

Our volunteers are ready to answer your questions and if they don't know the answer they will find one for you.
